Sheriff Buck's Comments Regarding Passing of Senator Jean Preston

I am very sad to hear that Senator Jean Preston has passed away.

Jean was a true public servant who worked hard every day serving as our Representative and Senator in the State Legislature.

She truly cared about the people of North Carolina and our community; and our citizens recognized it.

She was by far one of the most popular elected officials Carteret County has ever seen. Everyone loved Jean Preston.

I am honored to have known her and worked with her.

She will be sorely missed.
